

CELEBRATE RECOVERY

helping those who struggle with hurts, habits and hang-ups

A Seminar on Addiction Recovery

10th September 2010 from 2.00pm-4.00pm

At Shankill Community Fellowship,
Argyle Business Centre,
Shankill Road, Belfast

What is Celebrate Recovery?

Our society is becoming more and more complex. Children can now have three sets of grandparents. Addiction is growing at an exponential rate. Divorce is at an all time high — for Christians. This is our reality.

The seminar will be led by members of the Celebrate Recovery team from USA

Fourteen years ago, Saddleback Church launched Celebrate Recovery with 43 people. It was designed as a program to help those struggling with hurts, habits and hang-ups by showing them the loving power of Jesus Christ through a recovery process. Celebrate Recovery has helped more than 7,500 people at Saddleback, attracting over 70% of its members from outside the church. Eighty-five percent of the people who go through the program stay with the church and nearly half serve as church volunteers.
